

Rype and Read Farm Market had the pleasure of hosting a Sweet 16 birthday party this past fall. The party was hosted at the farm as a private event and included great food, a hay ride, smore's by the bonfire and lots of laughter for this group of teens. Dawn Mariotti, mother, stated, "I could not have asked for a better party! Rype and Read provided everything that we needed for a great night of fun and the teens enjoyed the night and even tried new foods!"

At Rype and Read we are proud to host events like these and would love to assist you in hosting your next Corporate Event, Birthday Party, Classroom Field Trip or any other private event you can think of.
